Residential Brush Collection Schedule – October is the last Brush Collection for 2017

Residential brush collection will be during the following months **only**:

January April May August October

Brush will be collected once during the month listed above starting in Beesley's Point then continuing south to the Township line through Marmora, Palermo and Seaville then to Petersburg, Tuckahoe, Marshallville, Head of River, Steelmantown and Martintown. Strathmere will be collected on the 1st and 3rd Tuesday of the month.

Brush, resulting from Residential tree trimmings and pruning's, must be placed at the curb in a neat pile with the larger ends facing the street to be collected. Any trimmings removing more than 50% of the limbs of a tree, bush or shrubs shall be considered tree removal and will not be collected. **Brush shall be limited to a pile no larger than 10'x6'x6'.**

Residential trimming and pruning must be to the curb **prior to the beginning of the collection month**. Brush shall be placed 10' from the curb or edge of pavement during loose leaf collection. Trees damaged during severe weather events will be collected by calling for pickup.

Loose Leaf Collection Requirements

April 3-7, November 14 – 16 & December 7-12
North side of Church Road and north to the Township line, the Great Egg Harbor Bay.

April 10-14, November 17-22 & December 13-18
South side of Church Road south to Hope Corson Road excluding the Foxborough development.

April 17-21, November 27 – November 30 & December 19-22
Hope Corson Road south to the Township line including the Foxborough development.

April 24-28, December 1-6 & December 26-29
Petersburg, Tuckahoe, Marshallville, Head of the River, Steelmantown and Martintown.

Days may vary by one day based on how many leaves need to be collected in each area. Leaves must be placed to the shoulder of your street or road in long rows, not large piles, for collection.

You must keep the leaf piles a minimum of 10 feet from any storm drain inlet. We only collect piles of loose leaves that are free of sticks and other debris. If your piles contain sticks and other debris they will not be collected until the debris is removed.

Keep your eye out for Leaf Collections signs one week prior to collection in your area.

Also, please remember NO PLASTICS BAGS IN YOUR RECYCLING CARTS other than Paper Shredding in a clear bag.
