BUDGET MESSAGE

1. The 2013 Budget for Fire District No. 4 reflects the Commissioners' commitment to the safety and protection of the residents of the Fire District. As in the past, the 2013 Budget attempts to delicately balance two compelling but competing interests. The Commissioners have balanced a tax increase with the obligation to protect the safety and welfare of the residents of the District.

The 2013 Budget addresses the ever changing dangers facing the residents of this State. In the past few years it has become clear that fire and rescue personnel must be prepared to respond to catastrophic natural disasters together with the threats from biological and chemical releases. As part of that effort, the Seaville Volunteer Fire Company has significantly upgraded their facilities. The new state of the art facility will serve as an emergency shelter and provide accommodations for supporting fire and emergency rescue personnel. The facility also provides needed upgrades to address evolving societal dangers such as chemical and biological releases. The Fire Company's new facility will be an invaluable resource to the Fire District allowing it to grow and provide the necessary resources for the challenges the District will face in the upcoming decades. The Commissioners have determined that the costs of renting/utilizing this facility are necessary to maintain the safety and welfare of the residents of the district.

In February, 1999, the voters approved the public question regarding the Length of Service Award Program ("LOSAP") and the program was funded. In 2001, the LOSAP regulations were finalized and the Commissioners were able to select and approve a vendor to handle the Length of Service Award Program (LOSAP). The Commissioners continue to fund this program for the upcoming budget year.

2. In 2012, the Commissioners realized a \$6,000.00 surplus. The entire unreserved fund balance ("surplus") of \$6,000.00 will be used to reduce the amount of monies which need to be raised by taxes. At this juncture it is difficult to estimate the exact 2013 expenditures. Based upon previous budget years it is anticipated that approximately \$4,000.00 to \$6,000.00 will remain for use in 2014.

Although the 2013 ratables for Fire District No. 4 are not precisely known, an additional increase of approximately \$3,122,700.00 is projected. As a result of minimal increases in expenditures and increased ratables, the tax rate will increase by .001. The amount to be raised by taxation is below the 2% cap.

3. District is in compliance with Property Tax Levy Cap.
4. Not applicable - no Restricted Fund Balance
5. Not applicable - no Capitol Appropriations.
6. Not applicable - no Cash Deficit.
7. Not applicable.
8. See prior page.
9. LOSAP was established in 1999.
