He next stated that a video of the UT Indians Homecoming and Parent Appreciation night will also be shown on UTTV soon. He next commended employee John McCardle for the work he has done maintaining and lining the Township fields. He stated that in commemoration of breast cancer awareness, John spent his own time to go above and beyond his regular duties. He thanked John for his hard work. Committeeman Young next addressed a recent Letter to the Editor in the Upper Township Gazette regarding the Sports Field Lighting Bid and expressed his frustration with the misconceptions contained in the letter. After a lengthy discussion regarding the field lighting bid, Mayor

Palombo stated that strict adherence to the rules and regulations of the bid process must be followed. Committeeman Young next reported on the plans to expand the number of community events to be held at Amanda's Field next year. He finally reported that the Fall Festival will be held on October 26 from 3-6. There will be numerous family activities including live music, face painting, pumpkin picking, pony rides, and Let's Party Painters characters.

Anthony Inserra, Committeeman, reported that there is approximately a four hundred feet area on Nordic Drive which is extremely dark. He made a motion, second by John Coggins, to authorize the installation of a street light on Nordic Drive. During roll call vote all five Committee members voted in the affirmative. He next stated that a portion of Iroquois Avenue is unpaved, and asked about the requirements to have that section paved. Mr. Dietrich stated that the area is in the pinelands which will require numerous permits, the area will need to be surveyed, and funds will need to be appropriated. Mr. Inserra requested that the project be included in the budget discussions for next year. He next reported that he was recently approached by a resident who expressed worry that he will not be able to pay his property taxes. The resident is a partially disabled veteran, and was wondering if there are any tax assistance programs. The Municipal Attorney stated that he will research if there are any programs available for partially disabled veterans.

Edward Barr, Committeeman, offered kudos to the Marmora Fire Company for hosting a very successful Fire Prevention Week event. All of the fire companies participated and a good time was had by all. He next reported that the Upper Township Rescue Squad will be holding a Trunk or Treat at Amanda's Field on October 21, 2014 from 5:30 pm to 9:30pm. He next reported that a free rabies clinic will be held on October 25 from 1:00 to 3:00 at Shore Veterinarians. Lastly, Mr. Barr addressed the concerns he has received from residents regarding the recent indictments of several former members of the Seaville Fire Company. Mr. Barr stated that the Upper Township governing body and the Seaville Fire District were notified in the beginning of the year that there were suspicions of misappropriation of funds, and with due diligence members of the Seaville Fire Company brought their suspicions to the proper authorities who launched an investigation, which is still ongoing. He stated that the actions of a few should not reflect on the whole company, and he is confident in the professionalism and dedication of the members of the Fire Company.

Richard Palombo, Mayor, reported that bids for the US Army Corps of Engineers beach fill project have been received. The project should begin by the end of the year. He next reported that the Township will be holding a Health and Wellness Fair on October 16 from 12:00 to 3:00 at the Upper Township Community Center. There will be free flu shots and health screenings, and all residents are welcome and encouraged to attend. Mayor Palombo next reported that there is a vacancy on the Zoning Board. CORRESPONDENCE

NEW BUSINESS

13. **New Jersey Best Practices Worksheet CY2014/SFY2015.** CFO Barbara Spiegel reported that the Township scored a 94% on the worksheet, which will ensure that State Aid funding will remain at 100%. The Committee discussed a new question on the worksheet for 2014 that asks if the Township oversees the local authorities, including the fire districts. The CFO reported that because it's a new question the Township could answer prospective and address it in the coming year. The Committee commended Barbara for her hard work.

UNFINISHED BUSINESS

17. **Benjamin Duncan request to purchase Township owned property Block 667, Lot 7.** Due to a conflict, Municipal Attorney Daniel Young did not participate in this discussion. Conflict Attorney Norman Briggs reported that the Township Committee had previously authorized the sale of Block 667, Lot 7. An appraisal of the requested property was obtained to determine the fair market value of the property and set the minimum bid for the sale. The appraisal set the value of the property at \$59,000. The applicant disagrees with this appraisal and has requested the authority to obtain a second appraisal. Motion by Anthony Inserra, second by Edward Barr, to authorize a second appraisal to be obtained within 60 days at the applicant's expense. Acceptance of the appraisal will be conditioned upon confirmation of the appraiser's qualifications. During roll call vote all five Committee members voted in the affirmative. Mr. Briggs was directed to inform the applicant.

Mr. Briggs then stepped down and Mr. Young returned to the meeting.
