WHEREAS, on March 14, 2014, the Supreme Court issued an order directing COAH to propose new Round 3 regulations on or before May 1, 2014 and to adopt them by October 22, 2014; and

WHEREAS, the March 14, 2014 Order further provided that, if COAH failed to meet these deadlines, the Court would entertain a Motion in Aid of Litigant's Rights which could include an application for the right, on a case-by-case basis, to file a builder's remedy suit against a municipality under COAH's jurisdiction, such as the Township; and

WHEREAS, on April 30, 2014, in accordance with the March 14, 2014 Order, COAH proposed Round 3 regulations and published them in the New Jersey Register on June 2, 2014; and

WHEREAS, pursuant to these proposed regulations, COAH assigned the Township a fair share of 433 units consisting of a 20 unit rehabilitation obligation, a 383 unit unmet prior round obligation (half of which will need to be addressed by 2024), and a 30 unit prospective Round 3 obligation; and

WHEREAS, more specifically, under the COAH 2014 proposed regulations, the Township would need to satisfy a 242 unit obligation by 2024; and

WHEREAS, COAH accepted public comments on the proposed Round 3 regulations until August 1, 2014, and indeed received roughly 3,000 comments; and

WHEREAS, on October 20, 2014, the COAH board met to consider adopting the proposed regulations; and

WHEREAS, the COAH board reached a 3-3 deadlock and therefore did not adopt the proposed regulations; and

WHEREAS, COAH therefore failed to meet the Supreme Court’s October 22, 2014 deadline; and

WHEREAS, on October 31, 2014, Fair Share Housing Center (“FSHC”) filed a Motion In Aid of Litigant’s Rights urging the Supreme Court, among other things, to direct trial judges -- instead of COAH -- to establish standards with which municipalities must comply; and

WHEREAS, FSHC’s motion included an alternative fair share calculation for each municipality, which it subsequently modified through a report of its expert, Dr. David Kinsey, FAICP, dated April 16, 2015, further highlighting the uncertainty of the framework with which municipalities must ultimately comply because there are no standards with which to comply; and

WHEREAS, pursuant to alternative calculations furnished by FSHC in April of 2015, the Township would have an obligation of 895 units consisting of a 20 unit rehabilitation obligation, a 317 unit prior round obligation, and a 558 unit Round 3 obligation; and

WHEREAS, COAH’s failure to adopt the proposed regulations has left the Township in a continuing state of limbo despite its unwavering commitment to constitutional compliance without the need for litigation; and

WHEREAS, on March 10, 2015, the Supreme Court issued a decision entitled In the Matter of the Adoption of N.J.A.C. 5:96 and 5:97 by the New Jersey Council on Affordable Housing, 221 N.J. 1 (2015), in which it (1) found that COAH had violated its March 14, 2014 Order by failing to adopt new Round 3 regulations by October 22, 2014, (2) held that, without new Round 3 regulations, COAH could not process petitions for substantive certification for the 314 municipalities currently under COAH’s jurisdiction, (3) directed trial courts to assume COAH’s functions, (4) authorized municipalities under COAH’s jurisdiction to file a Declaratory Judgment Action along with a motion for Temporary Immunity by July 8, 2015, or risk possible exposure to exclusionary zoning lawsuits and (5) ruled that municipalities would have five months to prepare and file a Housing Element and Fair Share Plan with a trial court for review; and

WHEREAS, trial courts must now (1) calculate the “fair share” obligations for Round 3 and establish the standards with which municipalities must comply; (2) process declaratory judgment actions filed by municipalities seeking approval of an affordable housing plan based upon the new judicially established standards; and (3) entertain motions by municipalities for immunity from exclusionary zoning lawsuits while the municipality and its planning board prepare, adopt/endorse and seek approval of an affordable housing plan as may be amended; and

WHEREAS, the Supreme Court stated that municipalities bear no responsibility for COAH’s inexcusable failure to adopt Round 3 regulations, and emphasized the desirability of municipalities complying voluntarily consistent with case law that reaches back for decades; and

WHEREAS, at this juncture, the Township's Round 3 obligation is unsettled; and

WHEREAS, regardless of whatever its obligation is ultimately assigned, the Township remains committed to comply voluntarily with its obligations; and

WHEREAS, the Township brought itself under COAH's jurisdiction because all three branches of government preferred COAH's administrative process to resolve disputes over affordable housing matters rather than litigation (see N.J.S.A. 52:27D-303); and

WHEREAS, the Township has made sincere and thorough efforts to comply with its Prior Round and Round III (growth share) obligations despite significant hurdles related to lack of developable land, constriction by lack of sewage resources and significant lands within the Pinelands region.

WHEREAS, the Township wishes to be in a position to complete its efforts to comply voluntarily once its obligations are defined; and

WHEREAS, accordingly, the Township wishes to follow the path provided by the Supreme Court and by bringing a declaratory relief action and simultaneously bringing a motion for immunity so that the Township can complete its efforts to comply voluntarily with whatever standards the trial judge may determine are appropriate; and

WHEREAS, the Township herein intends to make its intentions inescapably clear to the public and all concerned.

NOW, THEREFORE, BE IT RESOLVED as follows:

1. The Township hereby reaffirms its commitment to satisfy its affordable housing obligations, however they may ultimately be defined, voluntarily and in the absence of any exclusionary zoning lawsuits.

2. The Township hereby authorizes and directs its special Mount Laurel counsel in accordance with the Supreme Court opinion to file a declaratory relief action between June 8, 2015 and July 8, 2015 and to file simultaneously a motion seeking temporary immunity while the Court reviews the Township's 2008 Housing Element and Fair Share Plan as will be amended and resubmitted to the Court within the five month period articulated by the Supreme Court.

3. The Township directs its legal and planning professionals in accordance with the Supreme Court's opinion to seek a judicial determination of its Round 3 obligations, as well as other related standards that the court may apply, and to take all reasonable and necessary action to enable Little Silver and its Planning Board to comply expeditiously therewith.

4. The Township hereby joins with other municipalities and authorizes the allocation of \$2,000 and to enter into a shared services agreement satisfactory to the Borough's attorney to retain Rutgers University, who retains Dr. Burchell and other experts

to examine fair share issues and propose an appropriate approach for the trial judge to consider.

5. This Resolution shall take effect immediately.
