MESSAGE TO STUDENT ATHLETES

The purpose of this summer day camp is to provide an opportunity for youngsters to learn the fundamentals of the great game of basketball and use them as they grow older.

Conditioning, individual offense and defense, individual guard play, inside moves and the focus on fundamentals, help to make this type of basketball camp a desirable summer activity for boys and girls entering Grade 3 through Grade 9. These skills can form the foundation for success in the high school athletic program.

Many players in the area have participated in camps such as this. Learn from a quality staff and play with some of the finest athletes in the area. This camp will help you prepare for your school's team.
