

# READY SENIORS SYMPOSIUM AND WORKSHOP

## Event Description

**Symposium** - Our Federal host partner organizations will present to, and share best practices with, public and private partner organizations that have critical roles in providing care for our older adult population. Discussion will center on weather events that may cause service interruption and threaten continued provider service.

**Exercise** - An afternoon no stress activity, which will present a simulated weather event. Providers and Federal partners will facilitate discussion, the sharing of best practices and challenges, and the seeking, in a collaborative atmosphere, of process that will improve efficacies of delivery during severe climate conditions.
