Schedule B Notes

1. Banks with drive-through facilities are permitted in the CM2, CM4, CMP Districts. For the TC and TCC District, see subsection 20-4.7c.5.
2. Maximum outdoor storage, sale or display for retail garden centers shall not exceed four (4) times the building coverage.
3. Process shall occur only within completely enclosed buildings which do not produce noticeable noise, vibration, smoke, dust, odors, hear or glare outside of building(s) on a minimum three (3) acre site.
4. Activities shall be conducted entirely within enclosed buildings on minimum three (3) acre site.
5. Residential dwelling units are permitted in the TC and TCC Districts as part of mixed use projects. Additionally, freestanding residential buildings may be constructed within the TC District in accordance with the specific requirements set forth in subsections 20-4.7c2, 20-4.7c3 and 20-4.20.
6. Travel trailers and campers to be parked or stored only. Their dimensions shall not be counted in determining total building coverage and they shall not be used for temporary or permanent living quarters while situate on a lot.
7. Temporary construction trailers and one (1) sign not exceeding thirty-two (32) square feet advertising the prime contractor, subcontractors, architect, financing institution, or similar data for the period of construction beginning with the issuance of a construction permit and concluding with issuance of a Certificate of

Occupancy, or one (1) year, whichever is less, provided said trailer(s) and sign are on the site where construction is taking place and set back at least fifteen (15') feet from the street and lot lines. Temporary construction trailers may not be located on the street or on the right-of-way unless application is made to the Construction Official, who may, for exceptional reasons, grant a temporary permit for the location of such construction trailer on the street or road right-of-way, which permit shall be effective for a period of ninety (90) days and be renewed for good cause shown, for an additional period of ninety (90) days. Within the "M" Mining District, the sign may not exceed one hundred (100) square feet.

8. On waterfront properties boat mooring slips, catwalks, piers, docks, landings or observation decks. Such structures shall be built on pilings, and the width of the structure shall not exceed twice the clearance between the structure and the surface of the wetlands (as defined and mapped under the Wetlands Act of 1970 N.J.S.A. 139A-1 et seq.). These uses will necessitate New Jersey Department of Environmental Protection approval for a type "A" permit pursuant to the Wetlands Act of 1970 (N.J.S.A. 13:9A-1 et seq.). The structure shall meet applicable side yard and building coverage requirements of this Chapter. (Rear yard requirements do not apply.) No boats moored at a residential property shall be lived in.
9. Garages shall not exceed twenty (20') feet in height and storage sheds shall not exceed fifteen (15') feet in height.
10. Use of the cafeteria is limited to service the employees of the principal use.
11. Minimum three (3) acre site.
12. The minimum gross floor area for the dwelling unit shall be six hundred fifty (650) square feet. The floor area for the dwelling unit shall not be construed to fulfill the minimum gross floor area required for the commercial use. Within the Pinelands Area, such attached dwellings shall be located on a lot of at least three and two-tenths (3.2) acres and shall otherwise comply with the standards of subsection 20-5.14. For any dwelling unit added after January 1, 2016, said dwelling unit must be an "Affordable Accessory Apartment" and comply with subsection 20-4.19. (Ord. #003-2016)
13. Shopping centers shall include the above listed permitted uses numbers 1-10.
