Mayor Richard Palombo of Upper Township has announced that Saturday, May 16th that Upper Township will allow full access to their beaches for all permitted activities.

Dogs are not permitted on the beach at this time.

Use caution while at the beach, there are no lifeguards on duty. Beaches will be protected on beginning on Memorial Day Weekend.

Upper Township has been coordinating with a Cape May County task force and other mayors on plans for a safe and gradual reopening of beaches, facilities and businesses as the state continues to take measures to slow the spread of COVID-19.

Local health professionals have advised that letting people exercise and enjoy outdoor spaces is safe and important for their physical and mental health, provided they avoid dense crowds.
