# **2022 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS**

## Upper Township FD No. 3

## FISCAL YEAR: January 1, 2022 to December 31, 2022

#### Answer all questions below using the space provided. Do not attach answers as a separate document.

**1.** When is the Fire District's annual election? (February and/or November) If November, was the resolution submitted to the Division?

February

2. Complete a brief statement on the 2022 proposed Annual Budget and make comparison to the 2021 adopted budget.

The 2022 proposed budget is similar to 2021. The reduction of loan interest has been applied to principal. There are no new capital purchases on the budget for 2022. These funds will be placed into the Reserve for Future Capital as the Tower & Rescue will need replacing soon. The Commissioners have chosen to take \$30,000 of unrestricted fund balance (which was not spent in 2020 due to COVID-19) and use that to fund a new stipend program in order show appreciation for the volunteer fire-fighters continued service and support through the pandemic and to retain good fire-fighters for the future.

**3.** Explain any variances over +/-10% for each line item. Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

Capital/Reserve for Future Capital has increased by 12% so when the Tower and Rescue need replacing there are funds available. Turn out Gear and Miscellaneous Loose Equipment have been increased as funds were not spent in 2020 due to COVID-19 and the Commission has elected to utilize those unrestricted funds to increase these line items.

**4.** Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised from taxation is not expected to have a significant effect on the local tax rate. The Commissioners have chosen to use \$30,000 of unrestricted fund balance (which was not spent in 2020 due to COVID-19) and use those funds for a new stipend program in order to show appreciation for the volunteer fire-fighters continued service and support though the pandemic and to retain good fire-fighters for the future.

n/a

7. Complete a brief statement on the Annual Budget's proposed capital appropriations including debt service for the proposed budget year and for future years.
