# **2023 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS**

## Upper Township FD No. 3

## FISCAL YEAR: January 1, 2023 to December 31, 2023

#### Answer all questions below using the space provided. Do not attach answers as a separate document.

**1.** When is the Fire District's annual election? (February and/or November) If November, was the resolution submitted to the Division?

February

2. Complete a brief statement on the 2023 proposed Annual Budget and make comparison to the 2022 adopted budget.

The 2023 budget is similar to that of 2022. The reduction of loan interest has been applied to principal. There was a reduction in the stipend for volunteers as 2022 was the first year it was offered. The difference has been put into Vehicle repairs and maintenance as those costs are skyrocketing. The Board will again use some of its unrestricted fund balance that wasn't spent in 2021 to increase the building lease as there are some repairs that are necessary. There will be no new capital purchased in 2023 but the Commission will be increasing its reserve for capital as the Tower & Rescue will need replacing soon.

**3.** Explain any variances over +/-10% for each line item. Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

Capital/Reserve for Future Capital has increased 96.8% as the need to replace the Tower and Rescue gets closer, the Board would like to have funds available for this purchase. There is an increase (amendment) to the Building Lease as the Burn Building needs repairs.

**4.** Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised from taxation will increase \$.01 per \$100 which shouldn't have a significant impact on the local tax payers. The current rate being \$.097 to \$.107 per \$100.

7. Complete a brief statement on the Annual Budget's proposed capital appropriations including debt service for the proposed budget year and for future years.
