#### FISCAL YEAR: January 1, 2022 to December 31, 2022

Answer all questions below using the space provided. Do not attach answers as a separate document.

**1.** When is the Fire District's annual election? (February and/or November) If November, was the resolution submitted to the Division?

February

2. Complete a brief statement on the 2022 proposed Annual Budget and make comparison to the 2021 adopted budget.

The Commissioners remain committed to the safety and protection of the residents of the Fire District. The 2022 Budget attempts to delicately balance two compelling but competing interests. The Commissioners have balanced a tax increase with the obligation to protect the safety and welfare of the residents of the District. The 2022 Budget attempts to address the dangers facing the residents of this State. It has become clear that fire and rescue personnel must be prepared to respond to catastrophic natural disasters together with the threats from biologic and chemical releases. The state of the art facility serves as an emergency shelter and provides accomodations for supporting fire and emergency rescue personnel. The facility provides needed upgrades to address evolving societal dangers such as chemical and biological releases. The Fire Company's facility is an invaluable resource to the Fire

**3. Explain any variances over +/-10% for each line item**. Attach in FAST any supporting documentation that will help to explain reason for the increase/decrease in the budgeted line item.

The Commissioners are pleased to report that there were no variances over +/- 10% in the 2022 Budget.

**4.** Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

In the 2020 Budget, the entire unreserved fund blance ("surplus") of \$6,000.00 was used to reduce the amount of monies which needed to be raised by taxes. At this juncture it is difficult to estimate exact remaining 2021 expenditures. Based upon previous budget years it is anticipated that approximately \$6,000.00 will remain for use in 2022. Although the 2021 ratables for Fire District No. 4 are not precisely known, an additional increase of approximately \$4,956,100.00 is projected. As a result of minimal increases in expenditures and increased ratables, the tax rate will increase by .001 per \$100. The amount to be raised by taxes is below the 2% cap. The total assessed value of the District with the increased ratables is \$571,283,800.00. The proposed tax rate is .104 per
