ARTICLE 4

GRIEVANCE PROCEDURE

A. PURPOSE:

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution of the problems which may arise affecting the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the department supervisory staff and having the grievance adjusted without the intervention of **AFSCME**.

B. DEFINITION:

The term "grievance" as used herein means any controversy arising over the interpretation or adherence to the terms and conditions of this Agreement and may be raised by an individual, **AFSCME** or the **TOWNSHIP**.

C. NOTICE OF DISCIPLINE AND DISCHARGE:

Other than an oral reprimand, the employee, the Local Union and the **AFSCME** shall be furnished with a written copy of any disciplinary action taken. Upon receipt of the notice of disciplinary action the employee may be given a form which the employee may use to opt out of disclosure to union officials. The reasons for such disciplinary action(s) shall be included in this written notification. As the **TOWNSHIP** recognizes **AFSCME**, it is the responsibility of the

Employer to forward all new hire, disciplines, promotions, etc. to AFSCME at 1373 Chews Landing Road, Laurel Springs, New Jersey 08021 or Fax (856) 512-2193. This will occur simultaneously as the employee is served.

D. STEPS OF THE GRIEVANCE PROCEDURE:

The following constitutes the sole and exclusive method of resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent, in writing:

STEP ONE:

(a) An employee and/or Chapter Chair shall institute action under the provisions hereof within five (5) working days of the occurrence of the grievance and an earnest effort shall be made to settle the differences between the aggrieved employee and his immediate supervisor for the purpose of resolving the matter informally. Failure to act within said five (5) working days shall be deemed to constitute an abandonment of the grievance.

(b) The immediate supervisor shall render a decision within five (5) working days after receipt of the grievance. A copy of that decision shall be immediately filed with the Administrator or Personnel Officer who shall distribute a copy of such decision to the members of the Township Committee.

(c) In the event the grievance involves the Department of Public Works and a satisfactory resolution has not been reached under STEP ONE (b) above, and if the **TOWNSHIP** has appointed a Superintendent of Public Works, the employee shall, in writing, file his grievance with the Superintendent of Public Works within five (5) working days following the determination by the immediate supervisor. A copy shall also be filed with the Administrator or Personnel Officer.

The Superintendent of Public Works shall render a written decision on the grievance within ten (10) working days following receipt of the grievance. A copy of that decision shall be immediately filed with the Administrator or Personnel Officer, who shall distribute a copy of such decision to the members of the Township Committee.

STEP TWO:

(a) In the event a satisfactory settlement has not been reached under Step One, the employee and/or Chapter Chair shall, in writing and on forms supplied by the **TOWNSHIP or AFSCME**, file the grievance with a member of Township Committee having general administrative and oversight responsibility for the Department within eight (8) working days following the STEP ONE determination. A copy shall also be filed with the Administrator or Personnel Officer.

(b) The member of Township Committee, or a representative appointed by such member of the Township Committee, shall render a written decision on the grievance within ten (10) working days following receipt of the grievance. A copy of that decision shall be immediately filed with the Administrator or Personnel Officer, who shall distribute a copy of such decision to the members of the Township Committee.

STEP THREE:

(a) In the event that the grievance has not been resolved at Step Two, then within eight (8) working days following the decision under Step Two, the grievant and **AFSCME** may then have the matter submitted to the Township Committee. The grievant and **AFSCME** shall initiate Step Three by filing the written grievance with the Administrator or Personnel Officer.

(b) The Township Committee shall provide the grievant and **AFSCME** the opportunity for a full and impartial hearing of the dispute with both sides (**AFSCME** and management) offering argument and testimony where necessary. Said hearing is to be held within ten (10) working days after receipt by the Administrator or Personnel Officer of a demand for such a hearing, which demand may be filed by any party to this Agreement. A written decision shall thereafter be rendered by the Township Committee within ten (10) working days from the date of the hearing. In the event that a hearing is not demanded, the Township Committee shall, nevertheless, review the matter and make a determination within twenty (20) working days from the filing of the grievance with the Administrator or Personnel Officer.

STEP FOUR: ARBITRATION.

(a) In the event that the aggrieved employee and/or **AFSCME** is dissatisfied with the decision of the Township Committee, such employee may have grievance submitted to The Public Employment Relations Commission (hereinafter PERC), to appeal said decision. An arbitrator shall be selected in accordance with the rules and regulations of PERC.

(b) Any request to PERC must be initiated by the aggrieved employee within fifteen (15) days of the decision of the Township Committee. Failure of the employee to file an appeal within such time period shall constitute an abandonment and waiver of the right to appeal to PERC.

(c) The arbitrator shall be bound and governed by the provisions of this Agreement and restricted to the application of the facts presented to him/her involved in the grievance. The arbitrator shall not have the authority to

add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto.

(d) The decision rendered by any arbitrator selected pursuant to this Article shall be final and binding upon both parties to this Agreement.

(e) The **TOWNSHIP** expressly reserves the right to seek a judicial review of any appeal filed with PERC and, if appropriate, to seek an Order of a Court of competent jurisdiction restraining such appeal and/or arbitration.

(f) The cost for the services of the arbitrator shall be borne equally by the **TOWNSHIP** and **AFSCME**. Any and all other additional costs including legal fees shall be paid by the party incurring same.

AFSCME REPRESENTATIVE IN GRIEVANCE PROCEDURE:

1. At the request of the aggrieved employee, **AFSCME** Chapter Chair (Shop Steward) may participate in the grievance procedure at Steps One and Two. The grievance form shall contain a checkoff which the employee may use to opt out of union participation.

2. The Council 63 Representative of **AFSCME** and **AFSCME** Chapter Chair (Shop Steward) may participate in the grievance procedure at all subsequent steps.

ARTICLE 5

SENIORITY

A. Seniority, which is defined as continuous employment with the **TOWNSHIP** from the date of last hire, will be given due consideration by the **TOWNSHIP** under the following circumstances:

1. The most senior employees shall be given preference in the selection of vacations provided that there is no interference with the normal operations of the **TOWNSHIP**.

2. The employer shall assign overtime, preferential days off, working out of title and shifts based upon an employee's seniority to the fullest extent possible and provided that there is no interference with the normal operations of the **TOWNSHIP**. For example, the operations of the **TOWNSHIP** may require the specific skills of a particular employee or, in order to complete a special project, the same employee should receive the overtime assignment. Taking into consideration **TOWNSHIP** operations, to the greatest extent possible, assignments shall be made on a rotating basis. This means that in the assignment of overtime, for example, management shall offer such work to that employee with the most seniority. On the next occasion when overtime is required, management shall offer it to the employee with the next highest seniority and such a schedule shall be followed until a complete cycle is completed with regard to the employees in the bargaining unit. If a particular employee waives his seniority rights with respect to preferential assignment of overtime on a particular occasion, it shall be offered to the employee next in line based on seniority principles. There shall be no obligation on the **TOWNSHIP's**

part to offer preferential assignment to an employee who has waived seniority preference until there has been a complete rotation within the department. However, there shall be no rotation (but seniority will be applied) with respect to least desirable task assignments, including any employee working out of title, provided there is no interference with the normal operations of the **TOWNSHIP**.

3. Seniority for overtime purposes with regard to snowplowing shall be determined in accordance with Article 8(A).
4. Job titles in the bargaining unit shall be filled in accordance with Civil Service Rules and Regulations.
5. In the event of a dispute between the parties hereto, an earnest effort shall be made to resolve the differences and an informal meeting shall be held between the affected employee(s), **AFSCME** representatives and the **TOWNSHIP**. In the event that the parties cannot agree, then the grievance procedure specified herein shall control.

B. ROTATIONAL ORDER LIST:

Lists showing a rotational order of each employee, the total Overtime worked and the total Overtime refused by each employee shall be maintained in the work unit. Such lists shall be made available for semi- annual reviews upon requests to Union Officers, Stewards and employees. This review is for the purpose Overtime Equalization.

C. LAY-OFFS:

1. Any lay-offs which may be necessitated during the term of This Agreement shall be in accordance with Civil Service Rules and Regulations.

ARTICLE 6

AFSCME RIGHTS, ACTIVITIES AND REPRESENTATION

A. Accredited representatives of **AFSCME** may enter the **TOWNSHIP** facilities or premises at reasonable hours for the purpose of observing working conditions or assisting in the adjustment of grievances. When **AFSCME** decides to have its representative enter the **TOWNSHIP** facilities or premises, it shall request permission from the Township Committee through notification to the Administrator, stating the reasons therefore, and such permission shall be obtained by the Administrator who shall communicate such permission to **AFSCME**. Such permission will not be unreasonably withheld, provided there will be no interference with the normal operations of the business of the **TOWNSHIP** government or the normal duties of employees. There shall be no **AFSCME** business transacted nor meetings held on **TOWNSHIP** time or property.

B. A Chief **AFSCME** Chapter Chair (Shop Steward) and a **AFSCME** Chapter Chair (Shop Steward) shall be the representatives of **AFSCME** in the **TOWNSHIP**. Whenever changes are made by the election of a Chief **AFSCME** Chapter Chair (Shop Steward) and/or **AFSCME** Chapter Chair (Shop Steward), the names of the newly elected representatives shall be submitted, in writing, to the Administrator within two (2) working days of such election.

C. All elected and/or appointed **AFSCME** officials of the **TOWNSHIP OF UPPER** shall be permitted time off, without loss of pay or benefits, to investigate grievances by employees covered under this Agreement, or to engage in other **AFSCME** activities and education provided, however, that the maximum time permitted all such elected and/or appointed **AFSCME** officials shall be an aggregate of seven (7) days or fifty-six (56) man hours during each calendar year

of this Agreement. It is understood that the total of seven (7) days or a maximum of fifty-six (56) man hours shall apply in the aggregate during each calendar year during the term of this Agreement and it is expressly understood that each elected and/or appointed official shall not individually be entitled to seven (7) days per year for such activities. The **TOWNSHIP** shall not unreasonably deny permission for time off in order to engage in such activities, provided that such activities do not interfere with the normal operations of the business of the **TOWNSHIP** or the normal duties of the employees. Any employee who will be off work and engaged in such activities shall notify the Administrator of such fact at least ten (10) days prior to the intended absence. The **TOWNSHIP** reserves the right to request such date be altered when it is reasonable to do so: (i) in order to insure the orderly and efficient transaction of **TOWNSHIP** business; and (ii) to insure there will not be any unreasonable interference with the conduct of **TOWNSHIP** business and operations.

D. An employee covered by the within Agreement shall be permitted to attend grievance hearings, arbitration hearings or Civil Service (Department of Personnel) hearings or any meeting called by the **TOWNSHIP** which may, in any way, affect the employee's terms and conditions of employment and/or the terms and conditions of this Agreement without loss of pay or benefits to said employee. Any preparation for grievance hearings, arbitration hearings or Civil Service Commission hearings shall be conducted by the affected employee on his own time and preparation for such hearing shall never be conducted on **TOWNSHIP** time.

E. Each employee shall, if he/she requests, be given an opportunity to review any evaluation of his/her work performance or conduct prepared during the term of this Contract. This provision would include all information and documentation found in personnel folders or permanent supplementary personnel files.

ARTICLE 7

HOURS AND OVERTIME; COMPENSATORY TIME

A. The normal work week shall consist of forty (40) hours per week, five (5) days per week, Monday through Friday.

B. All work performed by an employee on Saturday or Sunday shall be compensated for at the premium rate of time and one-half (1-1/2). This provision does not apply where an employee is scheduled to work on a Saturday or Sunday and is scheduled for time off during Monday through Friday.

C. All work performed by an employee beyond the normal eight (8) hour workday shall be compensated for at the premium rate of time and one-half (1-1/2). When this occurs on a holiday, the employee will be compensated at two and one-quarter (2-1/4) times the employee's regular rate. This is the holiday rate of one and one-half times the overtime rate of one and one-half (1.5 x 1.5) for work performed by an employee beyond 8 hours on a holiday. After sixteen (16) consecutive hours of work an employee shall be compensated at double the normal rate commencing with the sixteenth (16th) hour and for each hour thereafter. When this occurs on a holiday, the "normal rate" to be doubled upon the 16th consecutive hour is the holiday rate of time and one-half of the employee's regular rate. In other words, if the 16th consecutive hour occurs on a holiday, the employee will be compensated at three times the employee's regular rate.

D. The provisions of Paragraphs (B) and (C) shall apply notwithstanding the fact that the Township Administrative Offices may be closed either for the entire day or some portion thereof because of storm, snowfall, other weather conditions or other emergency or disaster. Stated differently, Department of Public Works (DPW) personnel are frequently required to report for work when other **TOWNSHIP** offices

are closed and other employees do not report for work or may be sent home prior to the conclusion of the normal work day. A. Subject to any and all applicable legal and regulatory requirements, the **TOWNSHIP** shall provide medical insurance; a dental plan; a prescription plan, a life insurance plan and a Health Reimbursement Plan (HRA). The employee shall pay a contribution to the cost of health benefits in the minimum amount required by state law. These benefits will be made available to eligible employees only after completion of the entry probation period.

B. The insurance currently consists of the following:

(1) Selection of medical plan through the NJ State Health Benefits Plan, with the Township retaining prerogative to select the preferred plan on an annual basis from within the NJ State Health Benefit Plan offerings; the preferred plan for 2024 is Direct 20/30 and for 2025 will be Direct 20/35;

receive \$3,200.

b) For 2025, employees enrolled in the preferred plan (30/35) at the single benefit level shall receive \$3,400, employees enrolled at the parent/child, 2 adult, or family benefit level shall receive \$6,700. Employees not enrolled in the preferred plan shall receive \$1,200. This HRA shall be limited to those medical care expenses originating from medical plan co-pays, co-insurance and deductibles, prescription plan co-pays, vision care expenses and dental expenses excluding orthodontia. It will not roll over from year to year.

e) The Township's contributions to the HRA accounts in 2026 and future years are subject to change, based upon plan costs and offerings, consistent with the following:

a. The HRA amount may be reduced when anticipated out of pocket expenses under the preferred plan are reduced;

b. In no event shall the HRA be less than \$1,200.

(6) The current medical insurance broker and consultant for

the **TOWNSHIP** is Marsh & McLennan Agency.

Employees shall be eligible to select any SHBP (State Health Benefit Plan) that is more costly than the preferred plan but will be 100% responsible for the difference in plan premiums. When an employee selects a more costly plan, employees shall pay the Chapter 78 contribution based upon the SHBP plan cost and will be responsible for the full difference in premium costs between the preferred plan and the selected plan. The following example illustrates the increased premium

costs for the 2024 calendar year between Direct 20/30 and Direct 10:

(By way of example, if the Township leaves the SHBP in 2025, it must provide alternate coverage consistent with Direct 20/35).

(2) In the event the Township leaves the New Jersey State Health Benefits Plan, The TOWNSHIP and AFSCME will work in good faith to review the costs of better than or equal to benefits from alternate plans, and shall consider the Township's contribution to employee HRA accounts when doing so.

(3) Any such alternative plan must provide better than or equal to benefits to those benefits under the Horizon Blue Cross Blue Shield of New Jersey Direct Access Plan 20/30 for 2024, and 20/35 for 2025.

(4) The parties understand that selection of the carrier is a managerial prerogative not subject to the terms of this collective bargaining agreement.

F. In the event that an employee in the Bargaining Unit is eligible to be covered under the insurance plans specified in this Article, and such employee voluntarily waives such coverage because such employee is covered under a policy issued to his/her parent or spouse through the parent or spouse's employment, the **TOWNSHIP** employee waiving coverage under the **TOWNSHIP** plan or plans shall be entitled to receive a payment in the amount of Two Thousand Dollars (\$2,000.00) as a result of waiving **TOWNSHIP** insurance coverage if the **TOWNSHIP** plan or State law permits such payment. Said amount shall be payable to eligible employees at the first pay period in December of each year when such employee has not been covered under the **TOWNSHIP'S** policy at any time during that preceding calendar year. In order to qualify for this bonus payment, an employee must complete the necessary forms and file same with the Finance Office by December 1st of each year for the current calendar year. In order to qualify for such bonus payment, such employee must also comply with all regulations established by the **TOWNSHIP** in this regard. Notwithstanding the foregoing, in accordance with state

requirements an employee is not entitled to such waiver benefit if his or her parent or spouse is covered under NJSHBP.

G. Employee Health Benefits Plan contributions from employee salary shall be calculated throughout the term of this Agreement on an annual basis in the same manner and using the same formula as calculated under the State Law commonly known as Chapter 78 (Tier 4). Effective January 1, 2022, the Tier 4 freeze is eliminated.

When necessary, the **TOWNSHIP** will provide employees with protective clothing or wearing apparel, tools or devices that are or may be reasonably necessary to protect the health and safety of the employees. The **TOWNSHIP** reserves the right, as a management prerogative, to establish rules, regulations and procedures for the safety of **TOWNSHIP** employees. The failure of an employee to abide by such rules, regulations and directives may result in disciplinary action.

B. The provisions of this Article are not intended and shall not be construed as providing any additional rights or remedies which are in addition to those already provided by New Jersey Law.

ARTICLE 22

MISCELLANEOUS PROVISIONS

A. LICENSE AND CDL LICENSE REQUIREMENTS:

1. All employees are expected to have and maintain a valid New Jersey driver's license as a condition of employment. All job titles except laborer and building maintenance worker shall be required to have a Commercial Driver's License ("CDL") in the performance of that employee's duties. Such CDL shall be obtained by the employee and shall be maintained in good standing as a condition of employment. However, the **TOWNSHIP** shall reimburse the employee that portion of the Division of Motor Vehicles fee for a CDL renewal that is above the standard drivers license renewal fee, provided such employee uses his or her CDL for job duties with the **TOWNSHIP**.

2. If an employee required to maintain a CDL loses such license said employee shall be demoted to the title of laborer provided said employee possesses a valid New Jersey driver's license.

3. If any employee shall have his or her New Jersey driver's license suspended for any reason said employee shall be offered a one time opportunity for demotion to laborer if said position is available within the TOWNSHIP and the TOWNSHIP can accommodate the employee's lack of a license during the period of suspension without interfering with normal TOWNSHIP operations. This opportunity is not available for a license suspension of greater than seven months. If a laborer or building maintenance worker shall have his or her New Jersey

driver's license suspended he or she shall be offered the same opportunity to continue in the position if the **TOWNSHIP** can accommodate the employee's lack of a license during the period of suspension (not to exceed seven months) without interfering with normal **TOWNSHIP** operations. In the event more than one employee has his or her driver's license suspended the offer of an available laborer position shall be given to the employee with the most seniority. The **TOWNSHIP** does not guarantee a position will be available or remain available. If a position is not available or if the suspension is greater than seven months or if an employee loses his or her license a second time the employee may be terminated. It is understood and agreed that, except for a short term isolated occurrence, the lack of a valid driver's license causes a significant disruption to TOWNSHIP operations.

4. The **TOWNSHIP** shall provide time during normal working hours for an employee to study and practice for the examination for a CDL.

5. Any prior practice inconsistent with the terms of this Article is hereby superseded and replaced by the provisions of this Article.

C. PART-TIME EMPLOYEES:

The Township may from time to time hire part time employees for various positions. Other than as required by Township policy or applicable law, part time employees are not entitled to any benefits or salaries set forth in this agreement. Any such salary or benefits shall be set by the Township from time to time as permitted by law. For purposes of this agreement, part time employees are defined as:

a) seasonal or temporary employees that may work a full week (40 hours); and

b) long term employees working less than 30 hours a week No such part time employee shall be hired to effectuate the layoff of an existing employee. Part time employees shall be hired to supplement the workforce in the event of retirements or to achieve added efficiency without the expense of additional full time staff. Part time employees shall not be union members or pay union dues.

D. PROGRESSIVE DISCIPLINE LIMITATION:

With respect to an employee involved in a current disciplinary action, the **TOWNSHIP** agrees to a five year limit for the length of time a prior disciplinary infraction may be considered in a current disciplinary action with the exception of drug and/or alcohol offenses, a last chance agreement, and any infraction that violates New Jersey or federal laws or regulations.
