RULES PERTAINING TO PUBLIC COMMENT:

8. In the conduct of public meetings and the course of receiving public comments, the following procedures shall apply:

(A) Any member of the public wishing to address the Township Committee on any matter, including public hearings on the adoption of Ordinances or the adoption of the Township Budget, shall be limited to a total of five (5) minutes, at which point such individual shall cease speaking and shall not thereafter be recognized, except in the exercise of the sound discretion of the Mayor or other presiding officer, which discretion should only be exercised after all other persons desiring to address the Township Committee on any issue have had an opportunity to do so.

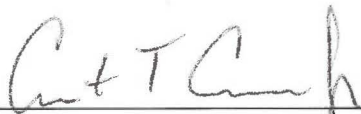

(B) In receiving public comments on a particular issue or in conducting public hearings on the adoption of an Ordinance or the Annual Budget, or in conducting any other public hearing, the Mayor, or the presiding officer in the absence of the Mayor, shall determine, either in the exercise of his discretion or on a motion adopted by a majority of the members of the Township Committee, the amount of time that is to be devoted to the particular issue and discussion thereon shall be limited accordingly. (E) All comments made by the public shall be addressed to the Township Committee and shall not be addressed to any other member of the public, nor shall such comments provide a forum for debate between or among members of the public. Any person violating this provision shall be declared "out of order" and shall thereupon forfeit his or her right to address the Governing Body.

9. The procedures outlined in this Resolution are intended to encourage and to foster the greatest possible participation in municipal government by members of the public and in order to achieve that purpose, these rules and regulations are intended to reduce multiplicitous comments by a single individual, as well as comments of long duration or which are or may be repetitive or argumentative in nature.
